

# Green-R Turf

## Rhino Fescue

Rhino Fescue features half field green and olive green colors that give it a darker and deeper appearance. The blades vary in position and consistency to create a natural appearance. The inclusion of strong 'W' shaped fibers allow this specific artificial grass product to withstand higher levels of traffic. It's perfect for any home or commercial application, and is also great for playgrounds.

**Recommended Use:** Moderate Traffic

**Main Application:** Landscape

**Colors:** Field Green / Olive Green / Brown
